If chosen to participate in a VPA choir I will:

- Arrive on time and attend all rehearsals with no more than TWO unexcused absences per term, and notify the director in advance if an absence is unavoidable.
- Participate in the December Christmas Concert and the May Concert and preceding tech/dress rehearsals.
- Stay in the rehearsal or performance space at all times and to be respectful of other groups rehearsing as well as the owners of the facilities.
- Have reliable transportation after class within 10 minutes of release.
- Wear required performance attire and take proper care of VPA wardrobe items.
- Bring water, music and pencil to each rehearsal, treat the music with respect and care, and not chew gum or eat food during rehearsal.
