**Amanda Polopolus Memorial  
Theatre Arts Scholarship**

Exceptional in the theatre arts

**APPLY BY APRIL 13, 2018**

**Amanda Kristina Polopolus was a founding member of the VPA's "Glam Squad", even lending the group its name. She began volunteering with the VPA in 2013 when she used her amazing talent and artistry to turn aspiring actors into villagers and Belle into Beauty during the VPA's fall production of Disney's Beauty and the Beast Jr. A licensed Cosmetologist employed at Savvy Hair Salon in Old Town Sherwood, Amanda's love of theater and passion for all things Disney was infectious. She helped transform hundreds of children into their characters and every child who sat in her "chair" for their "Glam" appointment was surrounded by encouragement, joy and a little pixy dust. Because of Walt Disney's attention to detail, Amanda admired him so, and yet this was her special gift, too. She intertwined her life with Walt's, moonlighting at the Disney Store just so she could get away with saying, "Have a magical day!" She truly wanted that for others.**

**In March 2016, on her way to Disneyland, she was in a fatal car accident that took her suddenly. It was devastating to everyone who'd been touched by her life. The VPA is grateful for the opportunity to celebrate our beautiful Amanda and her work by honoring her memory with a scholarship. We hope that the students who apply will learn more of all Amanda did for not only the VPA but also for Sherwood High School and the entire Sherwood community. Although Amanda's work for the VPA was professional and she often spent more hours during a show volunteering than she did "working" at her day job; every minute spent was a gift born out of a desire to share her talents, her love of live theater and the joy she found in making dreams come true. Amanda's contributions were priceless. The quality and level of excellence she brought to the VPA's productions will always be remembered as truly remarkable. We will never forget Amanda and we hope the students who apply for her scholarship will learn from the legacy she left and share their talents and gifts as freely in their future endeavors as she did for us.**
